Volunteer at the OC Air Show June 19-20

Join the Greater Ocean City Chamber of Commerce & the Young Professionals of Ocean City in volunteering at the bar tents at the 2021 OC Air Show on June 19 & 20!

Volunteering for each day is split into two shifts, a morning and afternoon shift, so you don't have to stay all day, unless you want to. If you want to volunteer all day, you must sign up

twice, once for the morning and once for the afternoon. We are working on finding parking with surrounding hotels/businesses, so if your property is willing to donate a spot or two to the volunteers, that would be much appreciated! Also, all volunteers will be provided snacks/water and lunch, plus you get front row seats to the Air Show and a post-shift drink.

Complete the Worcester Business Survey

The Worcester County Office of Tourism and Economic Development is asking employers for information regarding their workforce needs. We know that there is a tremendous shortage and we have some potential solutions that we are working on with our new Workforce Engagement Specialist, Jackie Trieu.

In addition, in coordination with the Worcester County Commission for Women we are collecting information to assist with identifying additional grants or relief that we can apply for based on our county-wide businesses needs and structure as well as promote women-owned businesses. So even if you do not have any workforce needs, please just answer questions 1-4.
