Calling All Volunteers! We Need a Few Additional People to Volunteer at OC Air Show This Weekend, June 11-12!

We still need a few volunteers for both days, Saturday, June 11 and Sunday, June 12 to help dole out cold beers and enjoy the show!

This year, we are asking for a few more volunteers for the whole day, rather than breaking the day into two shifts. This way, our volunteers can still take breaks and enjoy the show, but without having to wait for the next shift to get into town--which has proved quite difficult during the show!

Lunch and a shift drink are provided, plus the opportunity to watch the Air Show for free!

Please direct volunteering questions to Debbie Haas

[OC Strong & United Summer 2022 Toolkit](#)

The Town of OC Communications Department has developed a great toolkit for this summer. As a vacation destination, we are not immune to less than desirable visitors, so, it's important to be prepared. Make sure you post plenty of positive stories throughout the summer.
