Hi everyone,

I'm Amy Thompson, Greater Ocean City Chamber of Commerce Executive Director, coming to you with our November 2023 update. We have two important events that I want to get on your radar and remind you to register soon:

[Tues, Nov. 14 • Small Business Summit](#)

We have created a new event designed for those who are working so hard that they don't even have time to learn how they could work any smarter than they already are. We've gathered members who are in the business of supporting other businesses so you can learn practical tips on how best to juggle HR, business insurance, accounting, securing funding, legal, recruiting staff, and so much more. Join us on Tuesday, November 14th from 8:30am-12:30pm at The Fenwick Inn in North Ocean City. Member cost to attend is \$20/person; non-member cost is \$25/person.

Wed, Nov. 15 • Legislative Roundtable Meeting

Join us on Wednesday, November 15th at 8am at BLU Crabhouse & Raw Bar on 21st St. in Ocean City for our free (to members) Legislative Roundtable discussion about priorities for the 2024 session. We want to hear from you so we can be your voice in Annapolis.

As always, we appreciate you. We know you all are busy, so we are working to develop creative ways to meet you where you are, help you grow and prosper, create more jobs, and help you enjoy living and working in this amazing community.

Thanks so much,

Amy
