[Greater Ocean City Chamber of Commerce Legislative Survey](#) – The Maryland General Assembly kicked off the 2024 legislative session in Annapolis on January 10th. Since then, thousands of bills have been introduced. There are several bills the OC Chamber is monitoring closely, and the hearings for some of these are rapidly approaching. Before the Ocean City Chamber Legislative Committee takes an official position, we want to check in to see what YOU think, to ensure we are accurately representing our membership on legislation being discussed in the House and Senate in the coming weeks. Please take a few minutes to complete our [Legislative Survey](#) **by noon on Tuesday, February 20.**
