Things You Need to Know This Week

April 5, 2024

Member Notice

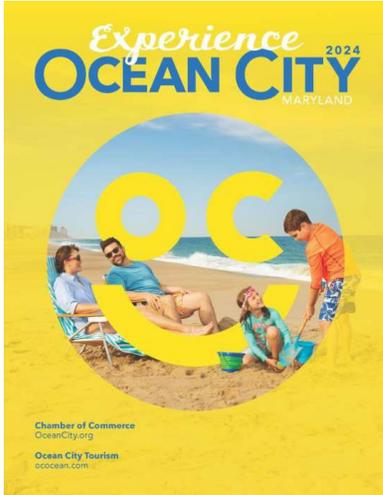

Happy April, everyone! I'm sure you can feel it - folks are gearing up for season around here. If our schedule of upcoming ribbon cuttings is any sign, there is lots of exciting *new* news to be celebrated. After spectacular weather St Paddy's weekend, we've had what feels like unending cloudy rainy skies ever since - I'm hopeful that means we are going to have a stellar Spring rolling into Summer!

As you get ready for the season, we are doing the same here at the Greater Ocean City Chamber of Commerce.

Our hearts go out to all those impacted by the Francis Scott Key Bridge Collapse last week. The Maryland Chamber of Commerce, of which we are a

member, has launched a [joint survey](#) to gather input from businesses on impacts to assist the state and federal partners working to cleanup and towards a recovery plan. If you have specific needs, or a story to tell, please contact [Amy Thompson](#) and I can help connect you to resources state-wide.

This year's Experience Ocean City Vacation Guide has just arrived - you'll start to see these around town in the coming weeks. THANK YOU to those who partnered with us this year with ads and listings. We are happy with how it turned out – Olive & our designer (Alchemi Designs) focused on streamlining the design a bit, and I think our visitors will appreciate the touches we added.

We will be hosting a [Summer Work Travel Conference](#) on Monday April 15th 8am-1pm at the Holiday Inn on 66th street. This is FREE for employers to attend - thank you to our partner Sponsor Organizations who made that possible. Department of State, Social Security, and panels of speakers will be here to help set up our J-1 exchange visitors up for a positive experience in Ocean City this summer. Looking forward to seeing you there!

Wednesday April 17th come on into the Ocean City Chamber here in West OC at noon to learn how to [Maximize Your Membership](#).

We are partnering with Summer Jobs Delmarva for a [Virtual Job Fair](#) on Monday April 22nd to help you staff up for Summer. Want to learn more? Summer Jobs DelMarVa has scheduled two different webinars explaining the details of the virtual job fair: [Wednesday, April 10th at 3pm](#) or [Friday, April 12th at 10am](#).

Wednesday April 24th, our Young Professionals are hosting their inaugural [Mini Golf Tournament](#) at Old Pro Golf on 136th St in Ocean City. [Sponsorship opportunities](#) are available.

We return to the Ocean City Golf Club for our annual [Chamber Cup Golf Tournament](#) on Tuesday April 30th. We are still looking for foursomes and if you'd like to contribute prizes we can use as giveaways, we welcome your addition!

We look forward to seeing you at these upcoming events!
